Campsite

Your on-site service is provided by the campsite's Reception and staff at Reception will be pleased to assist you with any queries you may have.

After your arrival at Reception you will be asked to pay the local tourist tax * and you will be asked for a cautionary deposit (€50 cash), fully refundable subject to the mobile home being left in a **clean and satisfactory state with complete inventory** ready for immediate occupancy by the next customer.

If you anticipate arriving after 21.00 on site, please advise us immediately as Reception may be closed and we will need to advise them of your estimated time of arrival.

You will need to take with you sheets, pillow cases (unless already hired), personal towels, beach towels, washing up materials, cloths, although you can buy the latter at the on-site shop or local supermarket.

If you are departing early, you will need to arrange with Reception for them to check over your mobile home the night before departure.

In the unlikely event of difficulties finding the campsite, call La Torre del Sol Reception +34 (0) 977 810 486.

DIRECTIONS TO LA TORRE DEL SOL

From Barcelona Airport

1. Upon leaving the airport complex follow directions for Castelldefels, which is a dual carriageway. (Should you end up going towards Barcelona it is not a problem, just follow directions to C32, direction Tarragona).
2. When you reach Castelldefels take the C32 (autopista), previously designated A16, direction Sitges/Tarragona. This is a toll autopista and you will need to pay at the toll booth a little way along the autopista. (You can pay by credit card).
3. The C32 goes through a series of tunnels. Continue on the C32 past Sitges and Vilanova and then join the AP7. Take the AP7 direction Tarragona / Valencia.
4. Continue south on the AP7, past Tarragona until Salida (Exit) 37 to Cambrils.
5. You will need to pay a small toll on leaving the motorway (there will have been other tolls along the way).
6. After leaving the toll booth you come to a 'T' junction. Turn left, direction Cambrils. Continue for about 1 km and you will come to another 'T' junction, controlled by traffic lights. Turn right, there is a filter allowing you to turn right with care without waiting for 'green'.
7. Continue on the N 340 for about 5km. You will see a large billboard sign on the left hand side of the road for La Torre Del Sol with arrows pointing to the right. This is to tell you to take the slip road on the right at the bottom of which is a small roundabout. Turn left under the N340. The access road bends around to the right and then you will see a turn to the left for the beach quickly followed by a turn into La Torre Del Sol. *(If you miss the slip road continue on past La Torre Del Sol on your left until you can safely turn around).*
8. Continue down the entrance avenue until you come to main entrance road. Turn left, park on the right and go into Reception (on the right).
